

# Chicago Card® REGISTRATION

Unless otherwise indicated by CTA, the \$5 purchase fee for Chicago Cards is waived. However, at this time retail sales outlets cannot waive the fee up front. Therefore, when you purchase your Chicago Card at a retail sales outlet your total cost will include a \$5 application/purchase fee. You can get that fee reimbursed by check if you complete this form, include the original sales receipt, and mail it to the address below. That will register your card. There is no extra cost for registration. Only registered cards will receive a new Chicago Card with the remaining value (less a \$5 replacement fee) if the card is lost or stolen.
